

chamber *freebies*

One free month at our shared workspace, Catalyst on Commerce, is among the many great deals our valued members receive

In the market for a good deal?

For less than \$6 per day, you could have space in the region's most exclusive small business location.

Catalyst on Commerce, the Chamber's shared workspace in the Spring Ridge complex in Wyomissing, offers free Wi-Fi connection, spacious conference rooms and ample parking, among other amenities. Plus, we'll let you try out Catalyst for a month — on us! That's a \$175 value.

Catalyst is a high-energy, professional setting where you can form networks, meet clients and interact with like-minded professionals. It's the easiest way to start

doing business the way you've always wanted to.

"Catalyst is a home away from home for my business, providing a convenient, and professional, location for me to meet with clients and other Chamber members," says Catalyst member David Green, President, Sound Marketing Resources. "I can focus on my business without the distracting details of caring for an office space."

For more information about Catalyst or to take a tour, visit GreaterReadingChamber.org or contact Michael Rivera at 610-376-6766.

Take a look at some of the deals you receive — just for being a Chamber member.

AFFINITY PROGRAMS

We have several cost-and-time saving affinity programs with Constant Contact, Office Depot and In-fintech. Stay tuned for more details!
