Mary Louise Hartline

Mary Louse Hartline, Corporate Catering Representative.

At the age of 15, I took over private party waitressing business and thus, began a passion for excellence in servicing food and beverage functions that has grown since then. After

college, I worked for Marriott in several different capacities, beginning with banquet serving and bartending. I then had the opportunity to move into the catering sales department. Upon returning to Berks County, I gained “back of the house” experiences under the talented arm of a distinguished local legend, Chef Judy Henry, at the Peanut Bar and then at her establishment, Judy’s on Cherry. Continuing with experiences as director of food and beverage for Penn National Gaming, and then sales and catering manager for the Sovereign Center, provided me with wonderful background to the diverse opportunities in this area and how to best provide for their individual needs. I look forward to working with your group as well.
